

TABLE OF CONTENTS

INTRODUCTION.....	1
Overview.....	1
Definition of Terms.....	1
The Terms “Use” and “Abuse”.....	1
Overall Goal and Brief Rationale for This Work.....	2
How This Guide Is Structured.....	3
Section I: Theoretical and Foundational Perspectives: Defining the Problem, The Targets for Change, & Intervention Approaches.....	3
Section II: Guidelines and Enhancements for the Delivery of Driving With Care Protocols to Underage Impaired Driving Offenders.....	4
Age Appropriate Groups.....	4
Summary of Introduction.....	4
SECTION I: THEORETICAL AND FOUNDATIONAL PERSPECTIVES: Defining the Problem, The Targets for Change and Intervention Approaches.....	5
CHAPTER 1: Theoretical and Conceptual Framework for Understanding Adolescent Problem Behavior.....	6
Overview.....	6
Summary of Selected Conceptual Theories.....	6
Social Learning Theory (SLT).....	6
Problem Behavior Theory (PBT).....	7
Theory of Planned Behavior (TPB).....	9
Social Norms Theory (SNT).....	9
Transitional Teens Theory (TTT).....	11
Cognitive-Behavioral Therapy (CBT).....	13
Acquired Preparedness Model (APM).....	14
Social and Community Responsibility Theory (SCRT).....	16
Chapter Review.....	17
CHAPTER 2: Scope of the Problem: Incidence, Consequences, and Costs.....	19
Overview.....	19
Underage Driving.....	19
The Problem.....	19
Rite of Passage and Transitional Development.....	19
Factors Involving Underage Driving Crashes.....	20
Efforts at Intervention.....	20
Noncrash Risks.....	21
Teen Driving “Loses Gas”.....	21
Benefits of Teen Driving.....	21
The Scope of Underage Drinking and Other Drug Use.....	21
The Problem.....	21
Prevalence of Use.....	22
Binge Drinking.....	22
Early Inception of Drinking and Later Impact.....	23
Short and Long-Term Problem Impact.....	23
College Students.....	23

Minimum Legal Drinking Age (MLDA).....	24
Segue Into UID.....	24
The Scope of the Problem of Underage Impaired Driving	24
The Prevalence of UID	24
Binge Drinking and UID.....	25
Impact of UID.....	25
Drugs Other Than Alcohol.....	25
Effect of BAC.....	26
Efficacy of Zero-Tolerance (ZT) and Other Laws.....	26
Chapter Review	26
CHAPTER 3: Prevalence and Consequences of Alcohol and Other Drug Use in Underage Populations	28
Overview.....	28
Defining Sub-Groups Within the Underage Population	29
Transitional Teens (TT)	29
Transition to Adulthood (TTA)	29
Prevalence of AOD Use Among Different Underage Samples	30
Prevalence Trends for Alcohol, Marijuana and Any Illicit Drug Use.....	30
Lifetime and 30-Day Prevalence for All Drugs	31
SAMHSA's National Surveys on Drug Use and Health (NSDUH).....	35
Clinical and Offender Samples.....	36
The Connection Between the MTF and Clinical/Offender Samples.....	38
Tobacco Products and Cigarette Smoking	38
Defining Substance Abuse in the Underaged.....	38
Normative Issues and Defining Underage SUD.....	39
Limitations of DSM-IV in Determining a SUD	39
Prevalence and Types of Risk-Consequences of Underage AOD Use	39
Emergency Department Visits.....	40
Predicting Alcohol and Substance Abuse in Adulthood	40
Prevalence of SUDS: Substance Abuse and Substance Dependence	40
Dangerous Patterns of Alcohol Use	41
Medical-Physical Problems Including Brain Impairment	41
School Problems, Failure and Dropout.....	41
Risky Sexual Behavior	42
Psychological and Mental Health Co-Morbidity	42
Impaired Driving.....	42
Injuries, Accidents and Assaults.....	42
Delinquency, Criminal Conduct and Violence	43
Problems Among Underage Military Personnel.....	43
Summary of Risk Consequences.....	43
Symptom Risk-Outcomes for Adolescent Samples	44
Chapter Summary.....	44
CHAPTER 4: Risk, Causal and Dynamic Factors Related to Underage Drinking and Drug Use	47
Overview.....	47
Understanding Causative, Risk and Protective Factors.....	47
Defining Causal, Risk and Protective Factors.....	47

Different Models for Understanding Risk Factors.....	48
Using Multiple Predictors and Multiple Outcomes.....	49
Risk Factors: Targets for Change.....	49
Risk as Defined by Theories of Adolescent Problem Behavior	50
Use Risk and the Gateway Theory.....	51
Specific Risk Factors Associated With Underage Drinking and Drug Use	53
Biologically Based Risk Factors	53
Biogenetic Factors.....	53
Sensitivity and Tolerance to Alcohol	54
Sensation-Seeking (SS) and Risk-Taking (RT)	54
Relationship of Brain Development and AOD Use.....	55
Cognitive-Psychological Factors.....	58
Early Childhood Behavioral Problems.....	58
Benefits and Expectations Derived From AOD Use.....	58
Psychological Deregulation and Undercontrol	58
Psychological and Emotional Problems and Disorders.....	58
History of Abuse.....	59
Drinking Beliefs	59
Personality Characteristics and Patterns as Risk Factors.....	60
Moral Development and Responsibility Towards others and the Community.....	61
Relationship and Social Influences	61
Parent, Family and Significant Adult Influence.....	61
Peer Influence	63
Social and Interpersonal Relationships	63
Community-Environmental Influences.....	64
School Influences	64
Impact of School and Community Rule and Legal Enforcement.....	64
Community Situational and Contextual Factors	65
Social and Community Norms.....	65
Socioeconomic Factors.....	65
Availability and Promotion of Alcohol and Other Drugs	66
Cost of Alcohol and Alcohol-Related Problems	66
Failure to Enforce Laws Regulating Alcohol Sales and the Minimum Legal Drinking Age (MLDA) Laws	67
Tort Liability	67
Media and Other Methods of Promoting Drinking and Drug Use	67
AOD Use Patterns and Risk Factors in the Underaged	68
Chapter Review	69
CHAPTER 5: Causal and Dynamic Factors Related to Underage Impaired Driving.....	71
Overview.....	71
Underage Impaired Drivers: A Subsample of Underage Drinkers and Drug Users.....	71
Underage Impaired Drivers: Subsample of Underage Drinkers	71
Underage Impaired Drivers Who Are Arrested for Impaired Driving	72
Percent of Total DWI Arrests That Are Underage.....	72
Summary of Findings.....	72
Description of the Underage Impaired Driving Offender	73

Literature Descriptions	73
Description of UIDO Study Group.....	73
Comparing Lifetime AOD Use Prevalence of UIDOs With National Survey Samples.....	75
Comparing UIDOs and Other Adolescent Samples on Lifetime Symptoms	76
Comparing Underage Impaired Driving Offenders With Adult Impaired Driving Offenders	77
Conclusions From the Comparative Studies	78
Specific Risk and Protective Factors Related to UID	79
Biologically Based Risk Factors	79
Sensitivity and Tolerance to Alcohol	79
Impulsivity and Disinhibiting Responding.....	80
Relationship of Brain Development and AOD Use.....	80
Cognitive-Psychological-Personality Factors	80
Cognitive Factors: Errors in Thinking.....	81
Cognitive Factors: Beliefs About Drinking and Driving	81
Cognitive Factors: Moral and Responsibility Reasoning	82
Personality Factors: Impulsivity, Sensation-Seeking (SS) and Risk-Taking (RT)	82
Adolescent Problem Behaviors as Risk	83
Social-Relationship Risk Factors	84
Parent and Adult Role Models	84
Parental Monitoring.....	84
Peer Influence	84
Community-Environmental Factors	85
Accessibility of Alcohol.....	85
Access and Convenience of a Motor Vehicle	85
Drinking Patterns Most Predictive of UID.....	86
Early Drinking	86
Gregarious or Socializing Drinking	86
Binge and Frequency Drinking Patterns as High Risk for UID	86
Interaction of Environment and Personality Factors as Predictors.....	86
High-Risk Driving Behavior and Underage Impaired Driving	87
Summary of Risk Factors Most Predictive of UID	87
Chapter Review	88
CHAPTER 6: Assessment of the Underage Impaired Driving Offender.....	89
Overview.....	89
The Convergent Validation Model of Assessment.....	89
Components of the Assessment Process	89
Risk, Needs and Responsivity Principles.....	89
Goals and Objectives of Assessment	90
Sources of Information and Report Subjectivity	91
Valuing Client Self-Disclosure: All SR Information is Valid.....	91
The Convergent Validation Model	92
Self-Report Data as a Valid Estimate of the "True" Condition	92
Levels of Intervention Service.....	93
Guidelines and Instruments for UIDO Differential Screening	93

Preliminary Screening	93
Overview of Differential Screening.....	94
Methods and Criteria Used in Screening UIDOs.....	94
1. Prior DWI Involvement.....	94
2. BAC at Time of Arrest	95
3. Self-Selection	95
4. Impaired Control Cycle - ICC.....	96
5. The Relationship Identifier	96
6. Minimum Symptoms Criteria: DSM-IV Substance Abuse and Substance Dependence.....	96
7. Standardized Self-Report Psychometric Approaches	97
Determining Substance Use Disorders (SUDS) Among the Underaged	97
UIDO Risk Assessment: Behavior Assessment Questionnaire	98
Differential Screening and Assessment Placement (DSAP) Model	98
1. Adult Substance Use and Driving Survey (ASUDS).....	99
2. Collateral Information	99
3. Interview Data	100
Guidelines for Referral Decisions	100
Comprehensive Assessment: A Multiple Risk and Multidimensional Approach.....	102
Risk-Resiliency Areas in Adolescent and UIDO Assessment	102
1. Core Risk Assessment Areas	102
2. Adjunct Areas of Assessment.....	103
3. Cognitive Assessment	103
4. Specific Risks for Impaired Driving	103
5. Conceptual Framework for Comprehensive Assessment	103
Psychometric Instrumentation for In-Depth, Differential Assessment	103
Utilization of All Sources of Information	107
Evaluating Co-Occurring Problems	107
Social Responsibility: Deviancy and Criminal Conduct.....	107
Mental Health and Psychological Areas	108
Progress Evaluation Assessment.....	108
Resurveying of the Adult Substance Use and Driving Survey.....	109
Resurveying of the ASAP-II and AdSAP.....	109
Resurveying of the Behavioral Assessment Questionnaire (BAQ).....	109
Driving With Care Client Progress Report (DWC-CPR)	109
Change and Outcome Assessment: Short and Long-Term	109
Master Profile (MP)	110
Master Assessment Plan (MAP).....	110
Chapter Review	110
CHAPTER 7: Interventions Based on Community Regulations and Laws	111
Overview.....	111
Laws Regulating Underage Drivers	111
National Laws Governing Underage Driving	111
Minimum Legal Driving (MLD) Age and Graduated Driving Licensing (GDL) Laws	112
Efficacy of MLD Age and GLD Laws.....	113
Benefits of Teen Licensing.....	114
Interaction of Teen Licensing and AOD Use.....	114
Colorado Laws Regulating Underage Drivers	114

Underage Drinking and Minors in Possession	115
National Laws Governing Underage Drinking	115
Minors in Possession	116
Efficacy of the Minimum Legal Drinking Age (MLDA) Laws.....	116
Enforcement and Community Regulation.....	118
Efficacy of Sanctioning in Preventing Underage Drinking.....	119
Efforts and Controversies Around Lowering the MLDA	120
Laws Related to Underage Impaired Driving	120
General Laws Across States	120
Efficacy of Zero-Tolerance (ZT) Laws.....	121
Methods and Approaches to Enforcement	122
Efficacy of Enforcement and Sanctioning.....	122
Summary of Chapter.....	123
CHAPTER 8: Interventions and Operational Guidelines for Underage Impaired Driving Offenders	124
Overview.....	124
Community Human Services Strategies for UID Prevention.....	124
Surgeon General’s Call to Action to Prevent Underage Drinking.....	124
Coordinating Efforts to Mediate UID	125
Efficacy of Sanctioning and Intervention Services.....	125
Efficacy of Sanctioning and Punishment	125
Efficacy of Correctional Education and Treatment.....	126
Goals of Driving With Care	126
Two Primary Goals.....	126
DWC Addresses All AOD Use Patterns	126
Targets for Change and Intervention Strategies	127
1. Biological risks and vulnerability	127
2. Cognitive: Errors in thinking.....	127
3. Cognitive: Beliefs around underage impaired driving	128
4. Cognitive: Deficits in moral and responsibility reasoning	128
5. Personality: Sensation-seeking.....	129
6. Personality: Impulsivity.....	129
7. Personality: Risk-taking (RT).....	129
8. Underage drinking and UID as the norm	129
9. Peer influence, pressure and modeling.....	130
10. Adult acceptance and role modeling of drinking and drinking and driving	130
11. Driving Risks.....	131
12. Underage alcohol and other drug use	131
13. Lack of parental structure and support	132
14. Easy access through social and retail sources	133
Operational Guidelines an Strategies for Service Delivery	133
Generic Requirements for Effective DWC Delivery.....	133
Preparation and Qualifications for UIDO Providers	134
Education and Counselor Certification.....	134
Experience	134
Specialty Training	134

Enhancing UIDO Involvement and Learning.....	135
Use of UIDO Case Vignettes or Stories.....	135
Reticence Versus Resistance of UIDO Participation.....	135
Methods for Enhancing Interaction, Participation, and Skill Development.....	136
Age-Specific Service Delivery Strategies.....	138
Separating Underage Groups From Adults.....	138
Integration of UIDOs Into DWI Intervention Programming.....	138
Ethical, Legal and Professional Standards for Service Delivery.....	139
Chapter Review.....	140
SECTION II: GUIDELINES AND ENHANCEMENTS FOR THE DELIVERY OF DRIVING WITH CARE (DWC) TO UNDERAGE IMPAIRED DRIVING OFFENDERS.....	141
INTRODUCTION TO SECTION II.....	142
Overview.....	142
Release of Information, Confidentiality and Consent for Treatment.....	142
DWC Curriculum: Delivery to Underaged Impaired Driving Offenders.....	142
Orientation Sessions.....	143
Underage-Specific Groups.....	143
Guidelines for Mixed-Aged Groups.....	143
Screening UIDO Clients Into DWC Protocols.....	144
Participant’s Workbook.....	144
Session Length and Attention Span.....	145
Types of Modifications or Enhancements for UIDO Clients.....	145
Session Content and Discussion.....	145
Exercises and Worksheets.....	145
How the Modifications and Enhancements Are Presented.....	146
Thinking and Action Pattern (TAP) Charting.....	146
Structured Family Orientation Group.....	146
Case Vignettes.....	146
LEVEL I EDUCATION: ALCOHOL, OTHER DRUGS AND DRIVING SAFETY EDUCATION.....	147
Overview.....	147
Summary Description of Level I Education.....	147
Level I Delivery Strategy.....	147
Enhanced and Revised Worksheets.....	147
Case Vignette: Jason’s Story.....	148
LESSON 1: Developing a Working Relationship.....	149
LESSON 2: Alcohol and Other Drug Impaired Driving: The Laws and Beyond the Law.....	150
LESSON 3: Changing Our Thoughts, Beliefs and Our Actions: Learning Self-Control and Driving With Care.....	153
LESSON 4: Alcohol and Other Drugs: How Do the Facts and Ideas About Alcohol and Other Drugs Fit You?.....	156
LESSON 5: Understanding Alcohol and Other Drug (AOD) Use and Problem Outcome Patterns.....	157
LESSON 6: Preventing Relapse and Recidivism.....	159
LEVEL II EDUCATION: ALCOHOL, OTHER DRUGS AND DRIVING SAFETY EDUCATION.....	162
Overview.....	162
Summary Description of Level II Education.....	162
Level II Delivery Strategy.....	162
Level II Education Orientation.....	162

Enhanced Worksheets.....	163
Thanking and Action Patterns (TAP) Charting	163
Case Vignette: Jennifer’s Story.....	163
LESSON 1: Program Orientation - Developing a Working Relationship	165
LESSON 2: Alcohol and Other Drug Impaired Driving: The Laws and Beyond the Laws	167
LESSON 3: How Our Thinking, Attitudes and Beliefs Control Our Actions.....	169
LESSON 4: How Behavior is Learned and Changed: Learning Self-Control and Driving With Care.....	171
LESSON 5: Alcohol and Other Drugs: How Do the Facts and Ideas About Alcohol and Other Drugs Fit You?	172
LESSON 6: Alcohol and Other Drug(AOD) Use Patterns: How Do they Fit You?	174
LESSON 7: Problem Outcomes of Alcohol or Other Drug Use: Patterns of Misuse and Abuse - How Do They Fit You?.....	175
LESSON 8: Pathways to Relapse and Recidivism	177
LESSON 9: The Process and Steps to Preventing Relapse and Recidivism	178
LESSON 10: Preventing Relapse and Recidivism: Building Personal Values and Prosocial Attitudes and Behaviors and Driving With Care.....	179
LESSON 11: Preventing Relapse and Recidivism: Managing Stress and Emotions	182
LESSON 12 Preventing Relapse and Recidivism: Building Healthy Family and Social Relationships.....	182
PROGRAM CLOSURE: Review and Reflection	184
LEVEL II THERAPY: ALCOHOL, OTHER DRUGS AND DRIVING SAFETY EDUCATION.....	186
Overview.....	186
Summary Description of Level II Therapy.....	186
Level II Delivery Strategy	186
Level II Therapy Orientation	186
Enhanced Worksheets.....	187
Individualized Treatment Plan (ITP)	187
AOD Weekly Monitoring Chart.....	187
Case Vignette: Derreck’s Story.....	187
SESSION 1: Introduction and Program Orientation I: Understanding and Engaging the Change Process	189
SESSION 2: Program Orientation II: Targets and Tools for Change: The Master Skills, Your Master Profile and Your Master Assessment Plan	192
SESSION 3: Pathways to Alcohol and Other Drug Use Problem Outcomes and Addictions.....	192
SESSION 4: AOD Problem Outcomes and Patterns: Your Relapse and Recidivism Prevention Goals.....	194
SESSION 5: Managing AOD Cravings and Urges	196
SESSION 6: Skills in Cognitive Self-Control: Recognizing and Changing Negative Thoughts and Negative Thinking	197
SESSION 7: Skills in Cognitive Self-Control: Recognizing and Changing Errors in Thinking	197
SESSION 8: Skills in Cognitive Self-Control: Managing Emotions, Stress and Depression	198
SESSION 9: Skills in Cognitive Self-Control: Recognizing and Managing Anger.....	199
SESSION 10: Social and Relationship Skills Building: Learning Communication Tools and Skills.....	200
SESSION 11: Social and Relationship Skills Building: Starting and Keeping a Conversation Going	201
SESSION 12: Social and Relationship Skills Building: Giving and Receiving Positive Reinforcement - Praise	202
SESSION 13: Social and Relationship Skills Building: Learning Problem Solving	202
SESSION 14: Social and Relationship Skills Building: Assertiveness Skills Development	203
SESSION 15: Social and Relationship Skills Building: Learning and Practicing Refusal Skills	204
SESSION 16: Social and Relationship Skills Building: Developing and Keeping Intimate and Close Relationships.....	206
SESSION 17: Strengthening Recidivism and Relapse Prevention Skills	208
SESSION 18: Relapse and Recidivism Prevention: Your Relapse and Recidivism Prevention Plan and Lifestyle Balance.....	209
SESSION 19: Community Responsibility Skills: Strengthening Character and Prosocial Values and Behavior	210
SESSION 20: Community Responsibility Skills: Understanding and Practicing Empathy.....	212
SESSION 21: Community Responsibility and Relationship Skills: Resolving Conflicts and Negotiation Skill Development.....	213
PROGRAM CLOSURE: Review and Reflection	214

PARENT AND FAMILY GROUPS	215
REFERENCES.....	217
APPENDIX A	245
APPENDIX B	251
APPENDIX C	259
APPENDIX D	269
APPENDIX E.....	281

LIST OF TABLES

Table 3.1: Trends of Percent Used From 1992 Through 2008 for Alcohol Use and Having Been Drunk 30 Days Prior to Survey	32
Table 3.2: Trends of Percent Used From 1992 Through 2008 for Use of Any Illicit Drug and Use of Marijuana in 30 Days Prior to Survey	33
Table 3.3: National Sample: Lifetime Prevalence of Use of Various Drugs at Least Once for Grades 8, 10, 12, and College	34
Table 3.4: National Sample: Thirty-Day Prevalence of Use of Various Drugs For Grades 8, 10, 12, and College Students	35
Table 3.5: Percent of Underage Reporting Any Alcohol Use, Binge Alcohol Use, and Heavy Drinking in Month Before Survey, 2005.....	36
Table 3.6: Lifetime Prevalence of Use of Various Drugs at Least Once For: Clinical Group, Youth on Probation, Committed Juvenile Offenders, and Underage Impaired Drivers	37
Table 3.7: Thirty-Day Prevalence of Use of Various Drugs at least Once for: Clinical Sample, Youth on Probation, Committed Juvenile Offenders, and Underage Impaired Drivers	37
Table 3.8: Prevalence of Use of Cigarettes for 8th, 10th and 12th Graders With a Ten Year Trend	39
Table 3.9: Lifetime Disruptive Symptoms for Adolescent Clinical Sample, Committed Juvenile Offenders, Youth on Probation, and Underage Impaired Driving Offenders	45
Table 5.1: Descriptive Summary of Three Underage Impaired Driving Offender Samples and Total Sample.....	75
Table 5.2: Comparing Lifetime Prevalence of Use of Various Drugs at Least Once of National 10th Grade, 12th Grade and Underage College Students With Underage Impaired Driving Offenders.....	76
Table 5.3: Comparing 477 Underage Impaired Driving Offenders (UIDOs) With 4053 Adult Impaired Driving Offenders (AIDOs) Across the ASUDS Scales.....	78
Table 6.1: Placement Distributions Into Three Service Categories for UIDOs (ages 15 through 20) and AIDOs (ages 21 or more).....	102
Table 6.2: Placement Distributions Into Three Service Categories Within the UIDO Group: ages 15-17; and ages 18-20.....	102
Table 6.3: Summary Description of the 24 Basic Scales of the ASAP-II.....	105
Table 6.4: Summary Description of the 14 Supplemental Scales of the ASAP-II	106
Table 7.1: Colorado Laws and Regulations for Minors in Possession	117
Table 7.2: County Court Penalty Structure for Colorado’s ZT Laws	121
Table 7.3: Motor Vehicle Division Penalty Structure for Colorado’s ZT Laws	121

LIST OF FIGURES

Figure 6.1: Conceptual Framework for Comprehensive and In-Depth Assessment of Underaged Impaired Driving Offenders	104
